### **Los Angeles 2005**

Town of the Angel. We visit some churches and chapter of this city, to bring the warning of the downfall of Los Angeles.

This is our 3rd time, that the Lord has send us there, with the prophecie of his Prophet, William Marrion Branham.

On this journey we make many experiences, and we want it share with you.

### **Long way...**

On the trip through the united states we drove over 2100 miles with a rent car.

To the point: we say thank you very much for prayers! They are closed the takes place this travels considerably contributed.

By amazing leading we could escape the terror-attack in London, to begin our mission. Because we fly on July 8, instead like intended with British Airways, with Continental Airlines!

We got the privilege to meet many fine and precious brothers and sisters on the way. The headquarter of the Full Gospel Business Men's Fellowship International lay on our route as well, like also Clifton's Cafe, the "Birthplace" of the FGBMFI, and also the AZUSA Street, where 1906 the last great outpouring of the Holy Spirit took place. We was allowed to meet great man of God, like Bro. Richard Shakarian, Bro. Ron Weinbender, Bro. Ernest Soady and also Bro. Pearry Green. We sign in in the Guest Book of the FGBMFI and we was allowed to pray together with Bro. Richard Shakarian and Bro. Ron Weinbender on the same Carpet, where Bro. Demos Shakarian this Vision from God became, which the FGBMFI is today leading. Bro. Paul's prayer was a request to God, to detain the judgement over Los Angeles. >>>
