**Dear Friends, Sisters and Brothers!**

### **GOD SPOKE TO ME IN FRENCH! By John P. Wildrienne**

*Pastor F. H. Squire*

WHEN THE LORD poured out the Holy Spirit on the waiting disciples at the first Pentecost, people, attracted, spoke their wonder and amazement at this great manifestation of the Supernatural Power of God in these words: "Are not all these which speak Galileans? And how hear we every man in our own tongue, wherein we were born? Cretes and Arabians we do hear them speak in our own tongues the wonderful works of God." (Acts : 2:7,8,11). Our God is the same; His power is the same; I experienced this personally when He revealed Himself to me in the same way, during the recent Full Gospel Business Men's Fellowship Convention in Phoenix, Arizona. Rev. F.H.Squire, of England, in whose Revival Party I have the privilege of working, knowing by experience the blessings invariably received in these FGBMFI Conventions, had determined to get us there to share in God's portion for these meetings. After travelling through the night to reach Phoenix, I came to the Monday morning Breakfast meeting feeling pretty disgruntled and very

skeptical. How real were the manifestations of the Spirit I had heard about in these meetings? What about emotionalism? As the meeting went on, little by little God's blessing was filling my heart, as I heard testimonies of men of all walks of life and saw how God's power and Spirit was working in their experiences, not only in their spiritual life but in every part of it, day by day, in their business, testimonies, church life-the constant presence of the Holy Spirit's supernatural power was their driving force! As they spoke and testified, my heart was growing hungry. This was the experience I needed! I was Pentecostal, had been filled with the Spirit, but what did it mean now in my experience? This was the power that I had seen enabling men to do exploits for God, the power that had enabled Brother Squire, for instance, in impossible circumstances, to bring into being the remarkable missionary work that brought me into God's work. This same power that used him and other great men in marvellous evangelistic work. But more than ever before I realized then that the fullness of that power was at the disposal of every minister, every businessman, and every Christian. I wanted it in its fullness in my life. The meeting went on, God's blessing was filling my soul, already making this a red-letter day in my experience, when a young man I had hardly noticed before came to the microphone, spoke a few words of testimony, then suddenly the Spirit of God came upon him and he gave a message in a supernatural tongue and a lady in the audience gave the interpretation. A wonderful message! But immediately people were whispering to each other, "That young man was speaking French, yet in the natural he does not know a word of it." Then an announcement was made, "This was was not a message in a supernatural tongue and the gift of interpretation in operation, but God made this young man, Danny Henry, speak French and the lady who knows French, Annette Long, just translated in an ordinary way." A shock of great disappointment came over me. You see, French is my mother-tongue and although I heard that supernatural message, I did not understand a word. All my old doubts and fears were coming back and the Devil was using this to make me lose all the blessings I had received that morning. Thoughts like these were going through my mind: "It is false"; "It was pre arranged"; "There is nothing in it": "It is just a big show to excite the emotions of gullible people." Yet one thing I could not understand the leader of the meeting made .in appeal on the strength of the interpretation of that message and there was a great response. Hundreds of people came forward seeking God's blessing, the infilling of the Holy Ghost, and I could see them kneeling around me. Many of them, I had to admit, were definitely receiving from God! I made up my mind I was going to find out the truth about that message and show it up if necessary. I said to myself, "Possibly the lady who gave that translation does not know French herself, and I will go and speak to her in French and show her how wrong she was." But God knew my heart and knew that I really was searching for a blessing and that I was sincerely seeking a solution to the things that were now between me and the blessing. So in His wonderful grace, God took time to work out a wonderful demonstration of His supernatural power to convince me

and wipe all my doubts away. First of all, instead of my going to this clear lady, she came to me and immediately started talking to me in French. That was a blow to the spirit of criticism that was in me which had made me condemn this person even before I knew her. She asked me if I understood that French message given. She mentioned again that it was under the power of God by a man who did not know one word of French. I said that I had not understood but possibly there could be a reason for that. As we were discussing this subject, God wonderfully continued to work on my behalf, by sending to us the very man who had given the message. He did not know me, nor the fact that my mothertongue was French, or even that we were discussing him. He joined us, commented a little on

the blessing that was resting on the service, then the Spirit of God came upon him and, first of all, he started to pray for me in English. I was already wondering at this when, suddenly, his prayer changed into a supernatural message from God. I understood every word! IT WAS FRENCH! I turned to Brother Squire, who was standing next to me, and said to him, "it is really French." Then I could not bear it any more. God had done such a tremendous thing for me; I broke down and cried in the arms of this brother that God had

used to bless me so very much. God had spoken to me in French! Thank God for His personal concern in every individual, for His love and grace, and for His GREAT SUPERNATURAL POWER that He wants to give daily to every believer to make their everyday life a demonstration and witness to His EVERLASTING ALLMIGHTINESS. Some people may ask me: "What was said? What kind of French was it?" To the first question I shall answer that the experience and the sense of the presence of God so overwhelmed me that I could not tell you exactly what was said except for the fact that it was a promise of God to bless, keep and use me if I would trust Him fully and cast all my doubts away. The language spoken was very definitely French, not as spoken in France or French-speaking Europe but more of a French dialect, something like that spoken in some parts of French Canada or maybe the French-speaking islands. But it was French enough for me to understand it perfectly and the fact that it was a dialect made it more wonderful to me, as such a way of speaking French could not be learned in any school. It was God-given! A few days after the Phoenix Convention, I went to Los Angeles, California, and attended an FGBMFI Chapter Breakfast meeting. There I heard Evangelist William Branham say that he felt led to allow the operation of his Supernatural gifts of God in the Miami Beach International Convention the coming July. Almost immediately, Danny Henry came forward and prayed for Brother Branham and then a message came forth from his lips in French. Annette Long translated the message, and at the same time that I stepped forward to confirm the translation a man came from the audience to confirm the message. So far as is known, he had never been to the meeting before nor has he been since. He was Victor E. Le

Marianne Buess

Doux, born a Frenchman at Bordeaux, France, a former French interpreter at the United Nations. Together, we sat down and wrote out the translation of the message that was given to William Branham by Danny Henry and translated by

Annette Long: **"Because thou hast chosen the narrow path, the harder way, which thou hast walked of thy own choosing, thou hast picked the correct and precise decision and it is MY WAY. Because of this momentous decision, a huge portion of Heaven awaits thee. What a glorious decision thou hast made. This, in itself, is that which will give, and make come to pass, the tremendous victory in the Love Divine!"** A few weeks before, in the same place, Danny Henry had given a message in French, which Annette Long had translate, and Miss Marianne Buess, a French Mademoiselle from the Southern part of Switzerland where French is the language, was present and declared that the message was in unusually clear and beautiful French. God has not changed! He is still a God of Miracles! I will never doubt His supernatural manifestations again, for, when I was most skeptical, He spoke to me in French!
