Hurricane Dennis

as exception, enter the disastrous natur-catastrophes, because now is fulfilling, which was announced for this time-period in the bible, worldwide. We would like to bring no well thought Christian journalism to expression here, but we want to give a testimony, because we got personally to sense the effects of the hurricane „Dennis“ in August 2005, as we from Los Angeles over Phoenix towards Tucson, close to which mexican Border, was by car on the way, date July 18. 2005. We had to shortly before Tucson interrupt our trip two hours since the storm made one for proceed impossibility. In this night many for 30.000 households the electric power break down in Tucson. (ARIZONA DAILY STAR) Already as we from

Gander, Canada

Hamburg/Germany at the July 8. '05 took off, over New York towards Phoenix, there, we received to sense the effects of the storm. So that even the pilot it for sure, to interrupt the flight non-scheduled, held about on a former military-airport in Gander, Canada, a stop and, to be able to fill up, because even until New York the weather-being-rivers of the storms were to be sensed with profoundly hanging rain-clouds and very bad visibilities, so that several attendant-bows was flown. for us was that the biblically prophetic final-time-occasion experienced personally! What we after in the USA to hear particularly from New Orleans in the coverage and seeing receive, surpassed in its assume alarming proportions that experienced from us about a multiple! A surface of the size of England was invaded by the stormtide and was made millions of people homeless. A headline was: „Katrina is the effect of God’s fury.“ It has begun to happen and worse is imminent....!

N.Y. Airport

Miscellaneous preachers have given prophecies, that now beginning itself to fulfill, in the chapter meetings of these events. Under others of evangelists the prophet W.M. Branham, he gave also following predictions in a breakfast-meeting in Los Angeles at the April 29. 1965 in the message:
CHOOSING.OF.A.BRIDE_LA.CA V-2 N-28 THURSDAY_ 65-0429E

35-3 That's solemn warning. We don't know what time. And you don't know what time that this city one day is going to be laying out here in the bottom of this ocean. "O, Capernaum,"

Lost all...

said Jesus, "thou who exalted into heaven will be brought down into hell, for if the mighty works had been done in Sodom and Gomorrah, it'd have been standing till this day." And Sodom and Gomorrah lays at the bottom of the Dead Sea, and Capernaum's in the bottom of the sea. Thou city, who claims to be the city of the Angels, who's exalted yourself into heaven and sent all the dirty filthy things of fashions and things, till even the foreign countries come here to pick up our filth and send it away, with your fine churches and steeples, and so forth the way you do; remember, one day you'll be laying in the bottom of this sea. You're great honeycomb under you right now. The wrath of God is belching right beneath you.

How much longer He'll hold this sandbar hanging over that, when that ocean out yonder a mile deep will slide in there plumb back to the Salton Sea. It'll be worse than the last day of Pompeii. Repent, Los Angeles. Repent the rest of you and turn to God. The hour of His wrath is upon the earth. Flee while there's time to flee and come into Christ." My brother, sister, I don't know what more to say. If I've found grace in your sight by the power of God, if you believe me to be His prophet... This is the first time in public I've ever said that, but I feel a strange warning of some sort. I'm not prone to this. You know I'm not. I don't act like this. I hesitated to speak that message and say those things. I run sideways and everything else to keep from doing it, but it's been said, and it'll stand at the day of the judgment as a witness that I've told the truth. That's **THUS SAITH THE LORD GOD.**

Oh, Pentecost, run for your life. Flee to the horns of the altar and cry out before it is too late, for the hour will come when you can cry and it'll do no good. For Esau sought to find the place of his birthright and couldn't find it. I commit you, oh, California, oh, convention of the Full Gospel Business Men, who I love, who I've left and strung to with all my heart, I commit you to Jesus Christ tonight. Flee to Him.

(now, Bro. Branham may be controversial to be a Bibel teacher, but as a Prophet under it us known Christians in Los Angeles and elsewhere, absolutely acknowledged! there are enough testimony 's, that we ourselves heard, with our interviews.)

how I was standing upon top of the hill--men, three or four of them standing right here present now; yes, more than that. Going up the hill, the Holy Spirit said, "Pick up that rock." (We were hunting.) He said, "Throw it up in the air, and say, 'THUS SAITH THE LORD.'" I did. Down from there come a little funnel of wind. I said, "Within twenty-four hours, you will see the hand of God."

Men setting right here present now, the next day about ten o'clock, standing there, I said, "Get ready; get under the car there" (a veteran); I said, "something's fixing to happen." It was a clear sky, right up in a big canyon; and down come a whirling fire from heaven just as hard as it could scream, hit the walls like that. I was standing right under it. I just took off my hat, held my head, and it come about three feet or four feet above me, and cut a ditch plumb around that wall like that, and blasted, and went back up in the air, and whirled around again and come down three times, even cut the tops of the mesquite bushes out for two hundred yards.

30-1 Hear them fellows saying, "Amen"? They were there when it happened. See? And it made three blasts. When they got out from under the cars, and everything, and come back over, said, "If that'd hit you, there wouldn't been a greasy spot." I said, "It wasn't... It was Him. He was talking to me." God speaks by a whirlwind. See?

And there was that same Pillar of Fire that you see on the pictures standing there. And when it went up, they said, "What is it?"

I said, "Judgment is striking the west coast." Second day from that, Alaska like to have sunk.
